Online Registration at www.teamworksacton.com

Dear Families,

We are so excited for another great summer at Teamworks Acton. This will be our 19th year of Summer Camp and we can't wait to create some more lasting memories and friendships. We would like to take a moment to welcome our new families for their first summer at Teamworks and welcome back our returning families. This summer is sure to be a memorable one and our campers and staff are eagerly awaiting the first day of camp in June.

At Teamworks we strive to provide a camp that can meet the needs of all families who walk through our doors. From Traditional Camp to Parkour Camp, we provide flexible programs that can catch the interests of any child. In a safe and fun atmosphere, our well-trained staff will help each child develop their skills and create friendships that will last a lifetime. Each week we have special Theme Days that bring the whole camp together for entertaining and unique activities. From solving puzzles to showcasing a group talent, to special mystery guests, our theme days have become something every camper looks forward to and many even plan their schedules around these days.

We want every family to be confident when sending their child to our camp so we encourage each family to come visit us and check out our facility. Our staff is available to answer any questions you may have and will personally meet with you to show you around. This brochure is designed to give you an overview of our different camp programs and provide general information. If you have any additional questions, please contact us by phone at 978-287-5533.

Thank you for considering us! We'll see you all this summer! Sincerely,
